

Moodle for Students: View Assignment Feedback Text and Files

Click on the assignment to view your assignment feedback. You will see instructor feedback on your assignment submission as:

- **Text comments** in the Feedback Comments areas of the assignment page.
- **Annotations** within a copy of your submitted Word or PDF file. This will appear in the File Feedback area at the bottom of the assignment page.
- **Attached comments file.** This will appear in the File Feedback area. To read the comments inserted in your (copied) submission file or comments file, download the file to your desktop.

The screenshot shows the 'Feedback' section of a Moodle assignment page. It contains the following information:
